Kuwait's Al-Sumait Prizes are a set of annual awards designed to honor significant advances in the fields of food security, health and education in Africa. Administered by the Kuwait Foundation for the Advancement of Sciences (KFAS) and a Board of Trustees, the awards celebrate the work and accomplishments of Dr. Abdulrahman Al-Sumait, a Kuwaiti physician who spent his lifetime helping the poor in Africa in the field of health and education. The objective of the prizes is to recognize best studies, scientific projects, applied research, and innovative initiatives that have a significant impact and lasting influence on advancing progress to economic and social development in Africa. www.alsumaitprize.org
